

A BIG move for APP

A new location for Atlanta Pediatric Partners

Dear Patients,

With the season of celebration fast upon us, the last thing you might think of is moving. But that's exactly what we're doing! Recently we became aware of a new office space that would be a wonderful fit for Atlanta Pediatric Partners (APP); so we jumped on it. We're so excited and can't wait for 'Show and Tell'!

Our new office and clinic space will be located just up the street from where we are now. The new address, **3695 Cascade Road, Suite S Atlanta, GA 30331**, is located in the Publix shopping center. APP will be taking over the space where the Chase Bank was previously located, offering plenty of parking and making it easier to drive right up to our front entrance.

Beginning **December 15th**, we will see all our patients in **Suite S**, which will be our temporary site for about three to four months during the construction phase. Both the temporary and the permanent suites are next door to each other, so we can all keep an eye-out during our build-out!

The temporary suite will, admittedly, be a tight squeeze for a couple of months. However, we will do our best to make this move as comfortable as possible for you and your family, and to continue to provide the quality medical services you've come to expect. We also plan to extend our office hours to accommodate all of our patients, including adding early evening hours.

Our new hours will be:

Mondays & Wednesdays - 8 a.m. to 6 p.m.

Tuesdays & Thursdays - 8 a.m. to 7 p.m.

Fridays - 8 a.m. to 4 p.m.

Saturdays - 6:30 a.m. to 3 p.m.

As we make this transition, please know we are planning our move to ensure there is no down time or interruption of services, other than we will be closed for a day-and-a-half, beginning at 12 noon on Friday, December 12th, and all day Saturday, December 13th.

Again, we will begin seeing patients at our new, temporary location on **Monday, December 15th.**

Emergency services will not be interrupted under any circumstances. If you have an emergency, call **911** as you do now.

Otherwise, **our phone numbers and procedures will stay the same.**

We're really excited about the fresh, new look and extra space of our new facility, and believe you will be, too! It's a real opportunity for us to provide better, more convenient services to you and your family.

Our commitments to you include professional quality care, attention to detail and continuous improvement in our staff and our services. These are the highest standards through which all we do is filtered. Thank you for allowing us to be a part of your healthcare team. We hope you like our changes!

Happiest of holiday seasons,

Iyabode F. Beysolow, M.D.

Dorothy P. Wiggins, M.D.

P.S. Watch for renderings of the new space, which will be posted in our temporary office, along with updates as construction moves toward the finish line.
